LIVE GREATER

The Greater Hudson Valley Health System (GHVHS) offers you a tremendous opportunity to work with a progressive and expanding healthcare system in an area accessible to world-class entertainment, outdoor recreation, great schools and more.

New York City

BE PART OF SOMETHING GREATER

Within the Greater Hudson Valley Health System (GHVHS), we recognize the impact that talented professionals like you have on our patients' lives. Our physicians' dedication and passion, and the extraordinary way they perform their jobs, make us a leader among healthcare organizations. Our exceptional team of professionals is our greatest asset.

The GHVHS is a progressive health system committed to providing support for our physicians. We think of our team as family and work hard to foster an environment where our doctors can be successful and achieve their professional goals. Our area offers plenty of opportunities for you and your family to enjoy a robust lifestyle. There is a wide variety of cultural and recreational opportunities along with scenic parks, charming villages, historic sites, outstanding schools, world-class shopping and quality entertainment. Plus, we're located just a short drive from New York City and all it has to offer.

Our hospitals are constantly improving and upgrading with medical advancements and technologies. Orange Regional Medical Center is the first newly constructed hospital in New York State in more than 20 years, and Catskill Regional Medical Center has recently renovated its Emergency Department into a state-of-the-art facility. Our area will soon be home to a regional medical education center, Touro College of Osteopathic Medicine, that will further enhance the region's vibrant medical community and create opportunities for medical students to train at our advanced facilities.

I invite you to join our team of skilled physicians as our health system strives to improve the health of our community by providing exceptional healthcare.

Thank you for your interest in becoming a part of our team.

Scott Batulis
President & CEO, Greater Hudson Valley Health System

A GREATER HEALTH SYSTEM

The Greater Hudson Valley Health System (GHVHS) is a New York State, not-for-profit corporation headquartered in Middletown, New York, approximately 60 miles north of New York City. It is currently the active parent company for two member hospitals – Orange Regional Medical Center and Catskill Regional Medical Center. The GHVHS is dedicated to developing specialty services, medical programs and needed healthcare services that allow residents to remain close to home to receive quality care.

Providing healthcare to nearly 450,000 residents in Orange, Sullivan and Ulster Counties, the GHVHS was designed to improve the quality, stability and efficiency of healthcare services in the mid-Hudson Valley and Catskill regions. Services provided by 3,300 employed professionals and more than 850 medical staff members make the GHVHS one of the largest healthcare providers in the tri-county area.

GREATER CARE

Within the Greater Hudson Valley Health System, we are committed to providing the safest and highest quality care to our community. At our facilities, teams of experts work together to ensure operational excellence by following the highest standards for quality care, from preventing infections and continuously improving surgical care to achieving high success rates for even the most complex procedures.

We measure performance against our own rigorous standards, as well as national benchmarks, to continually improve how we deliver patient care. In support of our mission, our definition of optimal quality amounts to excellent care to every patient, every time.

Recent Awards and Recognitions

Healthgrades® has ranked Orange Regional Medical Center among the top 5% in the nation for patient safety in 2013. National Research Corporation has recognized Orange Regional Medical Center with the 2013 National Research Corporation *Path to Excellence* Award for its commitment to improving the patient experience. *U.S. News & World Report* has recently recognized Orange Regional Medical Center as among the Best Regional Hospitals in the Hudson Valley Region and as high performing in Pulmonology, as well as ranking it #39 in New York State.

Catskill Regional Medical Center's Grover M. Hermann Hospital was recently named one of the country's Top 20 Critical Access Hospitals for Quality.

GREATER STANDARDS

Our progress in maintaining the highest standard of care is reflected in our accreditations, rankings and recognitions:

- Maintained full accreditation from The Joint Commission
- Designated as a Bariatric Surgery Center of Excellence® (BSCOE) by the American Society for Metabolic and Bariatric Surgery (ASMBS)
- Awarded the American Heart Association/American Stroke Association's Get With The Guidelines-Stroke Gold Plus award
- Designated Breast Imaging Center of Excellence by the American College of Radiology (ACR)
- Recognized by the American Diabetes Association (ADA)
- Accredited in radiation oncology by the American College of Radiation Oncology (ACRO)
- Accredited by the American College of Radiology (ACR)
- Certified by the National Quality Measures for Breast Centers (NQMB)
- Accreditation from the American Academy of Sleep Medicine (AASM)
- Accreditation designation by the National Accreditation Program for Breast Centers (NAPBC); a program administered by the American College of Surgeons
- Recognized by the American Cancer Society as a CEO Cancer Gold Standard employer as an organization committed to cancer prevention and awareness

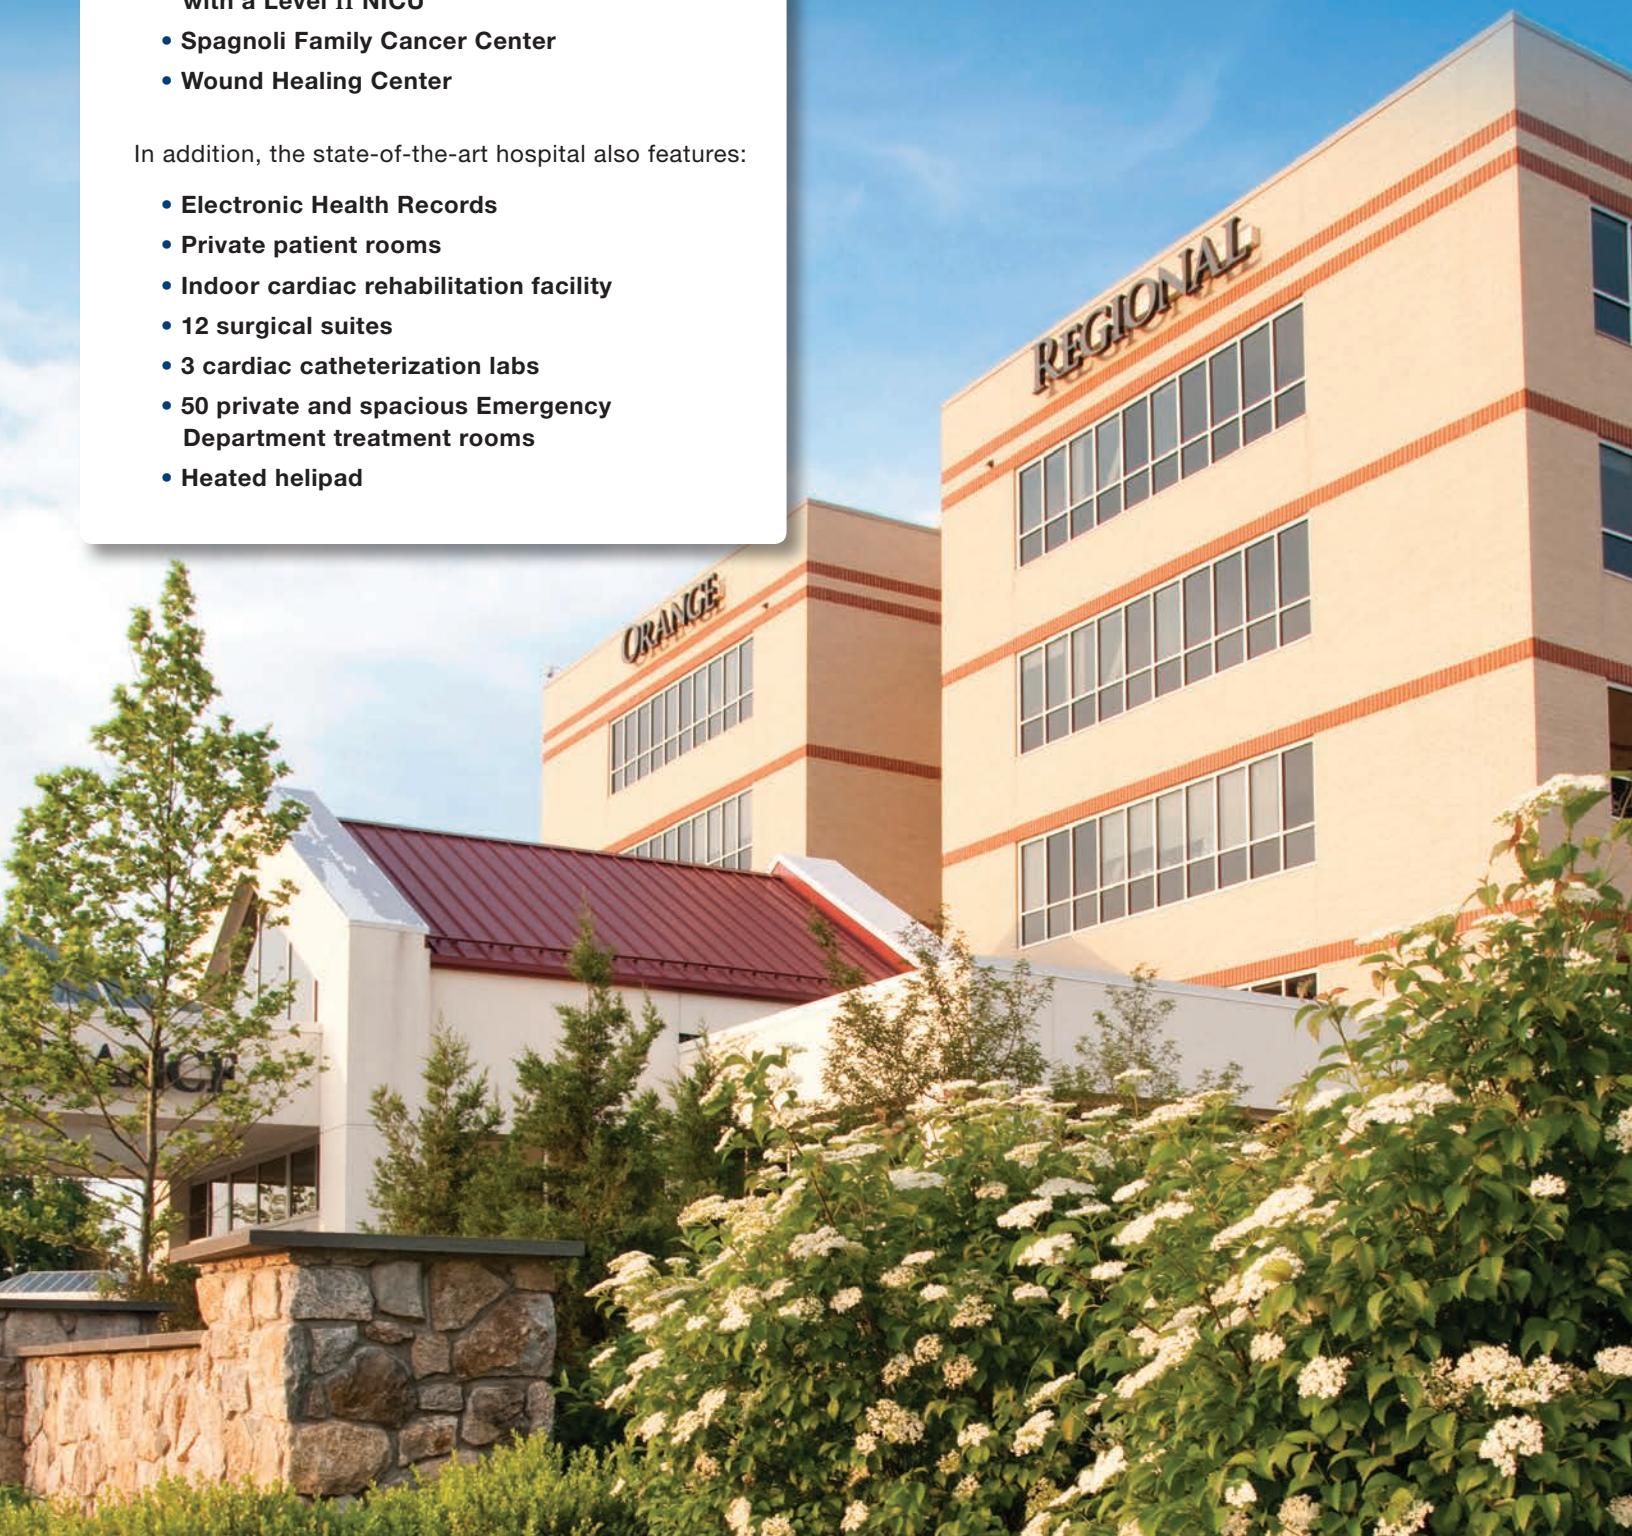

ADVANCING HEALTHCARE

In 2011, Orange Regional Medical Center became the first new hospital in New York State in more than 20 years. The 600,000+ square-foot hospital is situated on 61 acres and features seven Centers of Excellence including:

- **Bariatric Center of Excellence**
- **Bone and Joint Center**
- **Center for Sleep Medicine**
- **Peter Frommer, M.D. Heart Center**
- **Rowley Family Birthing Center – with a Level II NICU**
- **Spagnoli Family Cancer Center**
- **Wound Healing Center**

In addition, the state-of-the-art hospital also features:

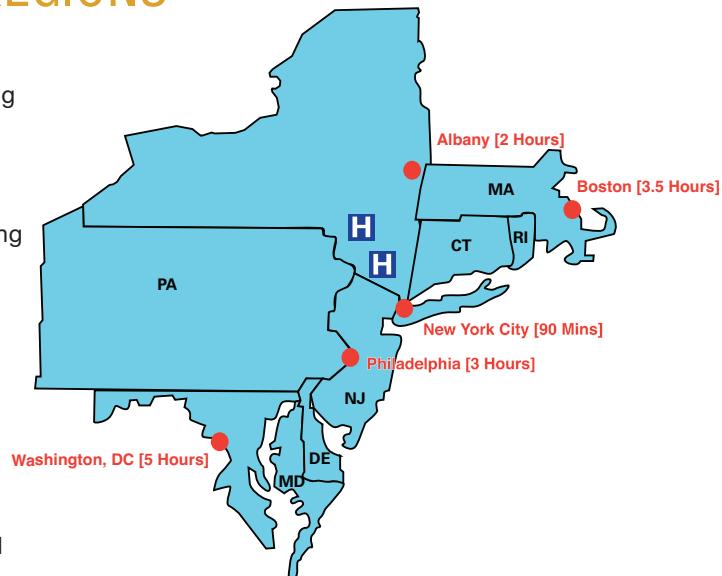

- **Electronic Health Records**
- **Private patient rooms**
- **Indoor cardiac rehabilitation facility**
- **12 surgical suites**
- **3 cardiac catheterization labs**
- **50 private and spacious Emergency Department treatment rooms**
- **Heated helipad**

A Greater Life

EXPERIENCE THE HUDSON VALLEY AND CATSKILL REGIONS

The Hudson Valley and Catskill regions are filled with welcoming communities where you can select from a wide array of neighborhoods, offering every possible housing option. Bustling urban centers, prestigious enclaves, suburban towns, charming villages, the open countryside and quaint hamlets are all part of this diverse area. At the same time, a day trip to New York City is well within your reach, less than 60 miles away from our Orange Regional Medical Center Campus.

Since Henry Hudson first sailed up his namesake river, the Hudson Valley has welcomed both young professionals and families for more than 400 years. In addition to historic sites, you will find world-class shopping, well-known wineries, premier ski resorts and unique farmers' markets. Our famous county fairs, festivals and Hudson River boat cruises have entertained millions of visitors.

The Hudson Valley and Catskill regions are home to some of the most visited sites in America – West Point, the Great Estates, Culinary Institute of America and the state capital, Albany. You will also find great museums, art galleries, gardens, antique shops, some of the best hiking trails in the country, Bethel Woods Center for the Arts and so much more. It's also a short drive to the beaches of Long Island and New Jersey, as well as the Catskill, Adirondack and Berkshire mountains.

The beaches of Long Island and New Jersey are a short trip from the Hudson Valley.

Just a 90-minute drive to the entertainment and culture of New York City.

WORLD-CLASS ATTRACTIONS AT YOUR DOORSTEP

The Hudson Valley and Catskill regions truly offer the best of both worlds. Whether you seek world-class shopping and entertainment, or if the great outdoors and historical sites are more your speed, you'll discover top-notch attractions right in your backyard. Here are just a few of our favorites:

Woodbury Common Premium Outlets

Woodbury Common Premium Outlets is the world's largest collection of luxury designer and brand name outlets.

United States Military Academy at West Point

The United States Military Academy at West Point is America's oldest military academy. The exquisite campus is open year round for tours, sporting events and more.

Bethel Woods Center for the Arts

The not-for-profit Bethel Woods Center for the Arts is located at the site of the 1969 Woodstock Festival and attracts some of the biggest names in music and entertainment to its outdoor amphitheater.

Dining and Entertainment

With local farms and fresh produce in abundance, the Hudson Valley region offers some of the best dining in the country and attracts some of the most talented chefs from the nearby Culinary Institute of America. Our performing arts centers and museums rival those found in Manhattan, though Broadway is just a short drive away.

Wineries

The Hudson Valley's wineries follow in the tradition of winemaking established in the region more than 300 years ago, and include Brotherhood, America's Oldest Winery.

Bear Mountain State Park

The beautiful Bear Mountain State Park welcomes more visitors each year than Yellowstone National State Park, and it is perfect for lodging, hiking, biking, ice skating and cross-country skiing.

Monticello Casino and Raceway

The Monticello Casino and Raceway offers a 40,000-square-foot casino and entertainment complex.

Monticello Motor Club

The Monticello Motor Club is North America's premier automotive resort and private racetrack dedicated to automotive enthusiasts.

The Hudson Valley was named in *National Geographic Traveler's Best Trips 2013* list.

GREATER OPPORTUNITIES FOR YOUR FAMILY

Orange and Sullivan counties are home to some of the best public and private educational institutions in New York State; many of which have made the prestigious National Blue Ribbon Schools list.

The region is also a great place for young professionals to pursue higher education degrees, so your children don't have to venture too far from home to get a world-class education.

Mount Saint Mary College in Newburgh is a private, co-educational liberal arts college that has been recognized by *U.S. News & World Report* and offers advanced degrees in collaboration with New York Medical College. Students majoring in nursing have the highest enrollment, which directly correlates to the region's strength in healthcare. Mount Saint Mary College also offers programs in high-tech fields and businesses, among others. **SUNY Orange** and **Sullivan County Community College** provide a variety of traditional and continuing education opportunities, while the prestigious **United States Military Academy** at West Point has educated and trained our military leaders for more than 200 years. In 2014, the renowned **Touro College of Osteopathic Medicine** will open a new world of opportunities for medical students at its Orange County Campus.

Neighboring Dutchess County also offers superb educational opportunities, including esteemed **Vassar College** and **Marist College**, both located in Poughkeepsie, and the world-renowned **Culinary Institute of America** in Hyde Park, which produces some of the world's most talented chefs. If your student is looking for a taste of the Big Apple, proximity to New York City's boundless options in higher education will give them an unparalleled advantage in academic, internship and job placement opportunities.

AFFORDABLE LIVING
