

EXT. DIRT ROAD OF A TRAILER PARK - NIGHT

Jocelyn drives up the dirt road in her car. David is in the front seat. She pulls up to a modest trailer home. They exit the car.

A camping trailer, huh? That's
pretty cool...

Jocelyn is straight-faced.

JOCELYN
No. Like a trailer home in a
trailer park.

She motions around to the other trailers.

The moment becomes uncomfortable. David is somewhat shocked but plays it off.

DAVID
Oh.
(pause)
That's cool.

David nervously looks around at the other trailers. Many of them are freshly painted and well kept. Blossoming gardens line the front yards.

DAVID (CONT'D)
Wow, this place is really nice.

Jocelyn smiles and rolls her eyes.

JOCELYN
Don't sound so surprised.

Jocelyn walks over to her trailer and opens the front door. David follows her inside.

INT. TRAILER - NIGHT

The trailer is very tidy. It has modest but nice furniture. It's tastefully decorated.

DAVID
No...I'm serious. Really nice. ← END

He smiles warmly at her. She smiles back at him and there is a palpable silence between the two of them.
