WOMAN'S VOICE (O.S.)
Can I see some identification
please?

Nick and Ray hand their cards through the crack.

RAY
I'm Officer Mandel, this is Officer
Holland.

WOMAN'S VOICE (O.S.)
How do I know these are real?... I
read all the time about fake
uniforms and fake badges and fake
ID's... these people trick you into
opening your door and then they
kill you and they rape you...

RAY
Ma'am can you open the door please?

She finally opens the door. CLAIRE. 30's. On edge. Robe
barely tied. Hands their cards back.

CLAIRE
Thank you... Sorry, it was just... I
get these things, these thoughts
sometimes, I think them, they just
keep going and going..

RAY
Miss-- hang on a sec Miss-- First
thing-- is there anyone else in the
house with you?

CLAIRE
No... no it's just me... It's been 317
times... 317 times so I can't be too
careful...

RAY
Excuse me?

CLAIRE
...317 times and people look at me
and they think it... and it's like
they're inside me... with their eyes...
they're inside me, they're raping
me... and I can feel what they're
thinking, their thoughts...

RAY
Someone's raping you with their
thoughts?

CLAIRE

I'm not crazy. Okay? I don't need
you fucking judging me, I'm not
crazy...

RAY

Easy Miss... just calm down...

Night and day now--

CLAIRE

You have kind eyes... You have such
kind eyes, you must hear that all
the time...

RAY

Miss-- Miss, you called to report a
proowler, correct?

CLAIRE

Claire. Please, this whole thing
starts to feel a lot less scary if
you call me Claire... Do you guys
want any coffee or anything?...

RAY

Okay Claire... Claire?... why don't you
tell us what happened, let's start
there.

CLAIRE

I've been taking my medication... I
have... and I know sometimes I see
things but I know what's real and
what isn't real... and I was getting
dressed and I saw him and he was
watching me, I could feel what he
was doing to me with his thoughts...

Nearly sobbing now. Ray trying to calm her.

RAY

Take it easy Ma'am...

CLAIRE

Are you sure you don't want to come
in for some coffee? Anything, I
could make you...

RAY

~~Are you taking any medications at
the moment Ma'am?~~
